## School Mission Statement

To provide every child with high quality education, to inspire a love of learning and to equip them for life in the challenging 21<sup>st</sup> century

### Our Ethos and Values

We are a happy school in which every individual is valued and nurtured. Through providing high quality education we aim to ensure that we prepare children for their whole lives. We encourage individuals to reach for excellence and to become inspired, confident and independent learners. We work hard to develop children's moral values so that they understand right and wrong. We focus on our core values of CARE-Create Achieve Respect Enjoy

### School Aims;

- To provide a welcoming, happy, stimulating environment in which the individual is cherished and everyone's contribution is valued.
- To provide high quality education for children that encourages individuals to strive for excellence becoming successful lifelong learners, confident individuals and responsible community members.
- To promote the dignity, status and worth of all people and to promote equality of opportunity, regardless of gender, race and ability.
- To provide a challenging, creative and relevant curriculum that widens children's experiences and enables them to contribute successfully to life in the twenty first century.
- To provide a curriculum which promotes positive relationships and awareness of cultural diversity, locally, nationally and internationally?
- To help children to care for and learn from their environment.
- To work in partnership with parents and our community to develop and maintain good relationship with all our families for the benefit of our children.
- To work in partnership with external agencies to ensure that the needs of our children are met.
